Three varied and illustrated talks by Gillian Taylor

Gillian is an enthusiastic gardener and popular speaker, visiting clubs and societies throughout Hampshire and the south of England. She has many passions and has selected three topics which are close to her heart.

10.45am - More colour for less work

Gillian will look at techniques, tools and plants which can make our gardening life easier. Who wouldn't like more time to enjoy their gardens?

11.45am-Perfect plants for sustainable gardening

How to choose plants for your garden which can be both beautiful and wildlife friendly, providing habitat and food whilst giving us pleasure as well, perfect!

12.45 - Let's talk about Roses!

Growing over 200 varieties of rose herself, Gillian will share her knowledge about all matters rosy. She will simplify the mystery which often surrounds their care and will look at what's new in the rose world.

Winchester Go LD enables adults with learning disabilities to live life to the full with the choices and independence that they want. We promote self development, friendship, self confidence, creativity and learning.

We try to share the experience, skills and talents of our members; we recognise that our members are experts through their lived experience of learning disabilities.

We have a range of weekly and monthly activities and we provide advocacy, information, safeguarding and skills workshops.

We respect and promote the rights of people with a learning disability and their families to speak up on issues. We aim to raise awareness, change attitudes and influence policy. We also like to have fun!
